Pueblo Camelot is situated in the established residential area of Los Hidalgos, on the outskirts of Manilva. The area has a peaceful, residential feel while remaining close to the coast and a wide range of amenities. The nearby village of Sabinillas offers supermarkets, shops, cafés, tapas bars and restaurants, together with a long sandy beach and seafront promenade. A short drive takes you to the marina of La Duquesa, with its waterfront restaurants, bars, shops and boating facilities. Several golf courses, including La Duquesa Golf and Valle Romano, are also within easy reach. The location provides convenient access to the A-7 coastal road, making it easy to explore the surrounding Costa del Sol. Estepona is around 15 minutes by car, Sotogrande approximately 15–20 minutes, Gibraltar around 25–30 minutes, and Málaga Airport approximately 1 hour away. From entering the property, you have a small guest bathroom immediately to your right, followed by the modern fitted kitchen. Straight ahead is the spacious open-plan living and dining room, featuring a charming fireplace and plenty of natural light. Large bifold glass doors open onto a good-sized terrace, with lovely views across the beautifully maintained gardens and communal swimming pool of Pueblo Camelot. To the left of the entrance, you find the bedrooms. The master bedroom has fitted wardrobes and a Juliet balcony, while the second bedroom, positioned opposite, also benefits from fitted wardrobes. Between the two bedrooms is the family bathroom, complete with a large walk-in shower. The property enjoys a good-sized private terrace, directly

accessed from the living room, with views over the beautifully maintained communal gardens and swimming pool. Pueblo Camelot also benefits from extensive well-kept gardens and a communal BBQ area, providing a pleasant space for residents to relax and enjoy the outdoor surroundings.
