Ground Floor Apartment in Torreblanca

Bedrooms	2	Bathrooms	2	Built	80m2	Terrace	15m2

R5541382	Ground Floor Apartment	Torreblanca	240.000€

This is an ideal opportunity either for a couple start up or for an investor on the Costa del Sol. It’s a two bedroom, two bathroom apartment with a good sized terrace and partial sea views in a community with pool. There is a transferable tourist license so great for short term holiday rentals with a high return on the low investment price. There is some refurbishment required, therefore the selling price is below the average for the Torreblanca area. It has an underground parking space included in the price. Also, ?there’s ?a ?bus ?stop ?right outside the ?main ?entrance to the urbanization that ?takes you ?into Fuengirola. ? This ?is a real bargain. ?Viewings ?anytime. ?Keys ?in ?office. ?Offers ?considered.
