The Beach House is a seven-bedroom villa for sale in Cortijo Blanco, one of Marbella's most desirable beachside residential areas. Located just moments from the Mediterranean coastline, this spacious property combines a prime coastal setting with generous living areas, landscaped gardens and a private swimming pool. The beach, local amenities and Puerto Banús are all within easy reach. Distributed across four levels, the villa offers six bathrooms and a versatile layout designed for comfortable year-round living. The upper floor features a private en-suite bedroom, while the first floor comprises the principal suite, two additional bedrooms and a bathroom. On the ground floor, a spacious living area connects with the kitchen and an additional bedroom. The basement provides two further versatile rooms, offering potential for a gym, home cinema, office or guest accommodation. The property also presents an opportunity for personalisation, with an inspirational design concept developed by Sandon specifically for the villa. Cortijo Blanco is particularly sought after for its proximity to the beach and the convenience of its location between San Pedro de Alcántara and Puerto Banús. Residents can enjoy beachfront restaurants, shops, golf courses and a wide range of amenities nearby. Marbella town centre, international schools and the wider Costa del Sol are also easily accessible, making this an attractive choice ?for ?both ?permanent ?living ?and holidays.
