Townhouse with lots of character located in a quiet street in the centre of Alhaurín el Grande. It is a traditional build and has recently been restored with use of classic materials such as stone and wood, thick walls, high ceilings, Nazari-type flooring and Seville wall tiles. On the ground floor there is a spacious living room, dining room with fireplace, bedroom and a kitchen that opens onto a pleasant Andalusian-style patio where we find a storage room and a bathroom. On the top floor there is a spectacular and large attic bedroom (you can make two bedrooms in area) with two wardrobes and a bathroom. Additionally there is a sunny terrace where you can sunbathe for most of the year. The approximately 40m² of terrace and patio have been included in the total build size of the property.
