950.000€

Stunning villa totally independent and very private, on the hill of Sierrezuela, magnificent panoramic views of the mountain and the coast. The construction consists of two levels, on the upper one, of 310 square meters we have 4 double bedrooms and 3 bathrooms, 2 of them en suite. Two of the rooms have direct access to the pool, the main one with a large dressing room. Large dining room and different lounges, two independent fireplaces and large windows facing the pool. On the lower floor, of 135 square meters, we have a multifunction space with pool table and bar and a toilet, completely independent and with access by spiral staircase from the living room, also has two parking spaces, woodshed and a workshop as well as the pool machinery. The plot has two thousand two hundred and fifty meters, where we can enjoy a large pool of 70 square meters with access stairs and a large viewpoint from where we can contemplate the coast.
